

Montana Department of Corrections  
Victim-Offender Dialogue/Victim Impact Panel

**RELEASE OF LIABILITY**

The Montana Department of Corrections and private contractors under contract with the Montana Department of Corrections (collectively, “DOC”) supervise adult male and female felony offenders in a variety of prisons, secure facilities, and community placements.

As a participant in the Victim-Offender Dialogue program or Victim Impact Panel program, I understand that DOC will do everything possible to prevent any incidents that may result in injury to property or person. However, I fully understand that entry onto DOC property involves inherent risks regardless of all feasible safety measures taken by DOC.

In consideration of DOC’s agreement to allow me to enter DOC property, I agree to accept responsibility for any loss, damage, or injury to me or my property that occurs during my visit that is not the result of fraud, willful injury to a person or property or the willful or negligent violation of a law by an offender, trustee, employee or agent of \_\_\_\_\_  
(facility or program).

I declare I am of lawful age and legally competent and empowered to sign this affirmation and release.
